**Your Sponsorship Will:**

- Help us send youth diagnosed with emotional, behavioral and social challenges and their families to the conference. These participants often do not have the funds to attend our conference unless Families Together and our supporters provide them this opportunity.
- Provide excellent exposure for your organization. By sponsoring the Families Together in New York State annual conference, your organization becomes visible to our conference participants: youth, families, policymakers, advocates, educators, mental health professionals and concerned citizens from across New York State.
- Fund educational and informational workshops and presentations on a variety of topics related to child & adolescent mental health, building future leaders through education and information.
- Advance the professional development of advocates, educators and mental health providers.
- Bring national and statewide experts to one convenient location in Albany, here they can provide an outstanding, educational experience to the families we serve.
- Have your business or organization recognized in the 2010 conference brochure (***payment must be received by February 15, 2010.***)
- Include the name of your organization in the conference program and event signage (***payment must be received by April 12, 2010.***)
- Make you eligible for a complimentary conference registration and a one year Families Together membership (please see applicable sponsorship levels).
- Be acknowledged in our 2010 newsletter *Sponsor Recognition* section.

**Please complete and submit the enclosed form to declare your support for  
Families Together in New York State today!**
